## The Vinnies CEO Sleepout is on again!

For Mirko Milic, CEO of Canberra Toyota, this will be his 5th sleep-out in a row during a chilly Canberra winter.

Mirko and Canberra Toyota have been major partners of Vinnies now for over 5 years and have supported the Vinnies CEO Sleepout, the annual Doorknock Appeal, Monster Warehouse Sales, the Night Patrol van and the Christmas Appeal. On top of that, a percentage of every car sold is donated to Vinnies to help them in curbing the homelessness problems in the ACT and Queanbeyan region.

Homelessness is a big problem and is something the St Vincent de Paul Society has been involved with worldwide since its inception in 1833. Surprisingly, in a city like Canberra, over 1700 people sleep rough each night. They take refuge in various city and park locations such as Mt Ainslie and often find temporary accommodation on other people's couches throughout the suburbs.

This year's CEO Sleepout will feature a team event, Mirko has asked his senior team and some of the CBR Brave players (sponsored by Canberra Toyota) to sleep out with him and in turn assist him raising even more money on behalf of Canberra Toyota. Mirko believes a collective effort should improve on the \$12k he raised last year!
